Get informed about product recalls

What you need to know about registering your children's products

- » Filling out a card or going online to register could save a life or prevent an injury. It is free and easy.
- » Registering your product makes sure the manufacturer has your contact information in case of a recall or safety issue—IT CANNOT BE USED FOR MARKETING.
- » The manufacturer will contact you if there is a recall and make sure you get the problem fixed for free.
