

Safe Kids Grand Forks Coloring & Activity Book

**SAFE
KIDS**
GRAND FORKS

Altru Health System is proud to serve as a lead agency for Safe Kids Grand Forks.
For information on childhood safety, contact Safe Kids Grand Forks at 701.780.1489 or safekids@altru.org.

Dear Parents and Caregivers,

On behalf of Safe Kids Grand Forks, we hope you and your children enjoy this coloring and activity book. It has been created as a means to teach children some simple safety tips while allowing them to be creative with a color crayon.

Safe Kids Grand Forks is an injury prevention coalition made up of many individuals, agencies, businesses and service clubs in the Grand Forks region, including northeast North Dakota and northwest Minnesota. We are a member of Safe Kids Worldwide, headquartered in Washington D.C. and one of over 400 state and local coalitions around the United States and in over 20 countries around the world.

The focus of Safe Kids is to prevent unintentional injury and death to children and youth under age 19. Accidents are the leading killer of children in this age group and account for many deaths, emergency room or clinic visits and hospitalizations each year.

Safe Kids has resources in many areas of injury prevention for children. If you have questions or would like more information, please do not hesitate to contact us. Altru is proud to serve as the lead agency for Safe Kids Grand Forks. For more information, please e-mail safekids@altru.org or call 701.780.1489.

Safe Kids Grand Forks would like to extend a special thank you to Megan and Michelle, who originally designed this book as a Gold Award Project as members of the Pine To Prairie Girl Scouts. We would also like to acknowledge the businesses and organizations who sponsored this publication. They are truly partners in our injury prevention efforts.

Carma Hanson, MS, RN
Coordinator, Safe Kids Grand Forks
